## Our Doberman Favourites

*We have bred reproductive, conformation, National and Working Champions for breeders and fanciers in 29 countries. They are prized, not only for their consistency of Type, but recognised world-wide for their enormous powers of genetic transmission – soundly and reliably bred for nobility and working ability over generations of leading European dogs.*

## Quality Has a Name – Norden Stamm

For four decades the name Norden Stamm has been associated with breeding beautiful, functional working dogs. From only a handful of Dobermann litters we bred in the early Nineties, they, and their many winning descendants continue to influence the breed internationally. Below are just a few of the many successful Nineties winners .

### NORDEN STAMM-BRED NATIONAL CHAMPION TITLE HOLDERS IN THE NINETIES:
